

Chamber Event Showcases Hospital Expansion

Members of the Greater Bethesda Chamber of Commerce recently attended a reception to learn more about the campus enhancement project underway at Suburban Hospital. The event was generously hosted at the Chevy Chase Acura dealership by owner John Bowis, who also serves as a trustee of the Suburban Hospital Foundation Board. Also in attendance were Suburban Hospital President Jacky Schultz, Foundation Board Chair Liz Flanagan and several leading physicians. Pictured below, left to right: Chamber member Shirley Menish, orthopaedic surgeon Dr. Dan Valaik and event host John Bowis.
