

HEART SONG

A brand new mural in
downtown Bethesda by
Elyse Harrison

Elyse Harrison is pleased to announce the installation of her latest mural, HEART SONG. The 16' x 8' mural is located on the rear wall of L'Academie De Cuisine on Cordell Ave which faces Old Georgetown Rd. The artwork was funded through an Individual Artists Grant from The Arts and Humanities Council of Montgomery County and The Bethesda Urban Partnership's Arts and Entertainment Board. The mural successfully adds a bright, eye catching moment to the cultural landscape of downtown Bethesda.

Inspiration for this artwork came from the artist's appreciation for bold, large scale images she has studied which grace the walls of cities all over the world. Using a bright palette and extreme patterning, HEART SONG projects an upbeat image of a woman expressing creativity and love through song.
