

"Flying V is a theatre company
full of vigor and sass,
with contemporary sensibilities,
[and] an ambitious mission statement"

Hey Moby, I hear that
people love our show!

Of course they do, Sheila I'm awesome...
I mean, WE'RE awesome...
Now can we go get some tuna fish to celebrate?

"Patrick Flynn's script is consistently funny, providing clever dialogue with tongue planted firmly in cheek...Combined with Flying V Theatre's production, *Sheila and Moby* will provide an abundance of laughs, and a more than a few lingering afterthoughts of life's complications."

"Flying V's debut of *Sheila and Moby* offers a refreshing look at becoming a grownup, and how hard that can be. It does so with clever dialogue, snappy action, tension, laughter, drama, make-believe and a big huggable armful of warm fuzzies."
