Repeats 2017 Achievement in Making List of Top1%

Bethesda, MD, November 8, 2018 – Elite Personnel announced today that it has again been selected as one America's Best Professional Recruiting Firms by Forbes, a list which identifies the top 250 professional recruiting companies in the United States. Elite Personnel achieved this milestone, which places the Company in the top 1% of recruiting firms nationwide, for the second year in a row.

Forbes' analytics firm, Statista, surveyed 30,000 recruiters and 4,500 job candidates and human resources managers who had worked with recruitment agencies over the last three years. More than 14,500 nominations were collected, and firms with the most recommendations ranked highest, and made the list of 250.
