A LONG-RANGE TRANSPORTATION PLAN FOR THE NATIONAL CAPITAL REGION

PUBLIC FORUM

April 26, 2018 | 7:00 - 9:00pm

Executive Office Building Auditorium
101 Monroe Street | Rockville, MD 20850

Visualize 2045 is the federally required long-range transportation plan for the National Capital Region. It will identify all regionally significant transportation investments planned through 2045 plus those not yet funded. And it will provide detailed analysis to help decision-makers and the public “visualize” the future.

The National Capital Region Transportation Planning Board is seeking input from the public regarding seven regionwide initiatives that are highlighted in Visualize 2045, the regional long-range transportation plan. These include:

- Bring Jobs and Housing Closer Together
- Expand Express Highway Network
- Expand Bus Rapid Transit Regionwide
- Improve Walk and Bike Access to Transit
- Move More People on Metrorail
- Complete the National Capital Trail
- Provide More Telecommuting and Other Options for Commuting

We want to know what you envision for the future of the region and how you think these initiatives could make a difference in your daily life. Please join us to Visualize 2045 and beyond!

Light refreshments will be served and activities for children will be provided.
