MentorPrize, a 501(c)(3) non-profit organization, aims to mitigate the chronic shortage of mentors in the D.C. area region so that children and young adults from disadvantaged backgrounds get the emotional, academic and/or professional support everyone deserves. We recruit mentors and refer them to D.C. area local mentoring programs that serve a wide range of constituents -- from homeless kids to teenage parents to first generation college students. Your [DONATIONS](#) help to further this cause and make a difference in the lives we touch.
