### TGB Chamber Now Offers Convenient, Budget-Friendly Payment Options

In response to requests for an easy, budget-friendly dues renewal program, TGB Chamber is offering members the ability to join and renew their annual membership automatically, using a choice of payment plan options. This seamless system will save you time, be easy on your budget, safeguard your information, and eliminate interruptions to your benefits.

### How to Participate

*To participate in this new program, complete the form on the back of this flyer.*

When you submit your payment plan option form via fax or mail, TGB Chamber will register you for an easy-pay renewal plan and automatically renew your membership each time (per the option you choose) using the credit card information you provide. As long as you remain a member, TGB Chamber will:

- charge your card as noted in your payment plan selection
- continue to renew your membership using the selected payment schedule until you request otherwise
- contact you if your credit card has expired or if any difficulties are encountered during processing.

*Note: This payment plan is only available for the Membership Investment. The plan is not currently available for Event Attendees.*

**Membership Dues** will be charged in installment payments and automatically renewed annually per the option chosen when opting into this plan. (For example, if you select quarterly installments for annual dues and your annual investment is \$425, your first quarterly dues charge will be \$106.25 and subsequent installment payments will be the same.)
