

COVID-19 Economic Injury Disaster Loan (EIDL) Program

The U.S. Small Business Administration (SBA) continues to accept new applications for COVID-19 EIDLs from small businesses. However, the SBA has stopped processing EIDL Advance requests, as funding for the grant portion of the Economic Injury Disaster Loan Program has been fully allocated. Please visit <https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/covid-19-economic-injury-disaster-loans> for more information.

If you would like to inquire about an existing COVID-19 EIDL application or account, please call the SBA Disaster Customer Service line (8am to 8pm ET) at 800-659-2955. Individuals who are deaf or hard of hearing may call 800-877-8339 (TTY). You may also send an email to disastercustomerservice@sba.gov.

Effective January 19, 2021, the portal is fully reopened to all participating PPP lenders to submit First and Second Draw loan applications to the SBA.

For the most up-to-date documents and related PPP information, please visit <https://www.sba.gov/ppp> or <https://home.treasury.gov/policy-issues/cares/assistance-for-small-businesses>.
